MISSION STATEMENT

The mission of Louisiana State Penitentiary is to provide for the custody, control, care, and treatment of adjudicated offenders through enforcement of the laws, and management of programs designed to ensure the safety of the public, staff, and offenders, and further, reintegrate offenders into society.

CONTRABAND

Controlling the flow of contraband is an ongoing problem at the Institution. Offenders, visitors and officers are searched throughout the day in order to help prevent the flow of contraband entering the facility. Random drug screens are also conducted on both offenders and employees. We continue to shakedown and do our very best to control the quantity of contraband in the Institution.

CONTRABAND DETECTION

- Due to the layout of our facility multiple locations are required for contraband detection.
- CoGim buildings are being used to shakedown offenders
- Cameras - Total Cost \$1,235,519
- Body Scanners have been installed at the following locations: \$1,022,995
 - Front Gate Visiting
 - Main Prison A Building
 - R.E. Barrow Treatment Center
 - Camp C
 - Camp D
 - Main Prison Sallyport
 - Drone Detection Equipment – spotted 4 drones on Farm

CONTRABAND STATISTICS FOR FY 2018/2019

- **20** employees have been arrested on contraband related charges, with a total of **47** employees arrested on different charges
- **37** visitors have been arrested on contraband related charges, with a total of **42** arrested on different charges
- Total Cases involving contraband
 - **948** cases involving drugs
 - **1570** cases involving cellphones which equated to 2024 actual cellphones
 - **135** cases involving weapons/985 other contraband cases

SHAKEDOWN

- Many different types of searches are done each day; they include random, targeted, vehicle, area, employee, visitor, and offenders. These searches have resulted in the confiscation of contraband such as:

- Cell phones, cell chargers, sim cards, DVD's, stingers, tattoo guns, marijuana, various pills, metal type weapons, seeds and gleanings, handcuff key (homemade), files, money, syringes, bullets, gambling tickets, beer or wine, free world clothing, condoms, and other various items.

FRONT GATE VISITING

The Front Gate visiting shed has received a new scanning system which provides a better view of all the possible contraband being brought into the facility. It decreases for the amount of time it takes to process visitors in half. Having the new body scanner has made a huge impact on what is being brought through the Front Gate.
